#### Statement of facts that you are personally aware of regarding this case:

On July 11, 2019, I purchased above property at Kemper County Ct Step in an auction. I advise Dorsyl the same date. On July 18, I was told she was selling items so I went over to ask her to leave washer/dryer, everything within property now belongs to me. She got irate. Saying "bitch you need to leave I should fuck you up right now" she proceeded into house slammed door and yelled "I should blow your ass away" At that time, I called police and waited in my car. She came to car screaming I need to leave while cursing & threatening. Officer Haggard arrived talk to both of us, and I wanted to take pictures and she refused. He had to make her let me in because she was still being combative.

She later called Realty Co to threaten my life as well. ERIC NOLAN, of Shapiro & Brown LLC called to advise to call attorney.
